Monitoring & Analytical Services

**Air, Micro-Meteorology
& Noise**

Surface & Ground Water

Soil

WE ALSO CARRY OUT

Forest De-reservation Proposal

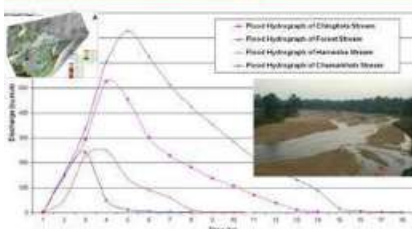

Resettlement & Rehabilitation

Hydro-Geology Study

Area Drainage Study

Mapping – Land Use, Land Records, Atlas

Wild Life Conservation Plan

COMPANY PROFILE

QCI-NABET APPROVED SECTORS MINING, THERMAL POWER PLANT, CHEMICAL FERTILIZERS, RIVER VALLEY, HYDEL & IRRIGATION, METALLURGICAL INDUSTRIES, AIRPORTS, HIGHWAYS & RAILWAYS, COMMON MUNICIPAL SOLID WASTE MANAGEMENT, BUILDING & LARGE CONSTRUCTION PROJECTS, TOWNSHIP & AREA DEVELOPMENT PROJECTS

AREAS OF CONSULTANCY

GCPL is known for reliability, quality and timely completion of the projects by providing highest quality consulting services matching to international standards with best available technical solution leading to sustainability and satisfaction.

SERVICES INCLUDE

- [illegible]

Environmental Impact Assessment

(NABET-QCI Accredited Sectors)

- Thermal Power Project
- Mining Projects – coal and other than coal
- Chemical Fertilizers
- Irrigation Projects
- Metallurgical industries
- Hydro Power Projects
- Cement Plants
- River valley Projects
- Airports
- Buildings and large construction projects and Townships & area development projects
- Roads, Railways and other linear projects

Monitoring & Analytical Services

- [illegible]
